

ST. PATRICK PARISH COMMUNICATION POLICY

Updated September 1, 2016

BACKGROUND

Purpose of Policy

1. To provide direction on best practices, procedures, and key contacts
2. To ensure all internal and external parish communications keep with the tone of the St. Patrick Parish mission

Purpose of Communications

Communications should be employed if they meet any of the following criteria

- Provide news relevant to the parish, school, or community
- Raise awareness of upcoming events
- Solicit volunteers
- Contribute to fund raising efforts
- Emergencies

Guiding Principles

- Communications within a ministry do not require approval. This policy is specific to parish and/or wide based distribution
- Placement and the written text of all communications require approval of a designated staff members (see point person for each communication type)
- Request to distribute communications or advertising must be received by the approver within a designated window to provide time for review and approval (see details for each communication type)
- Any communication to the parish on behalf of a ministry or project must have the approval of the ministry/program chair prior to submitting it to a staff member for approval
- All communications will be approved with a start and end date for use
- The requestor is responsible for the placement and removal of any physical advertising
- Any advertising (e.g. banners) that is attached to a physical structure (i.e. requiring adhering to walls or brick) requires approval of the pastor or his designee
- Flyers may not be posted on physical structures, doors, walls, windows, glass, or cars without the approval of the pastor or his designee

- Duplication of communication channels for differing and simultaneous events are generally not permitted unless approved by a staff member (e.g. avoid utilizing lawn signs for multiple purposes during the same time period)
- Communication directly to members of Youth Ministry require the approval of the pastor or Youth Minister
- Use of photographs of children for promotional purposes outside of the parish require permission of the parents (e.g. in a brochure or advertisement). Photographs of children involved in parish events may be used during parish wide events or parish communications. Use of photographs of children associated with the school follow the school policy.
- The pastor, or his designee, have the right to review, edit, and approve all communications beyond other designated approvers identified in this document

Operating Principles

- This policy will act as a source document for the school communications policy. It is identified where the school communication policy takes precedent; otherwise this parish communication policy governs school communications. Any discrepancy in policies will be adjudicated between the Pastor and Principal, or their designees
- This policy will be posted on the parish website
- Staff and ministry chairs will receive a copy of this policy
- Use of the parish logo can be obtained from Peggy Gentile in the parish office and should be used for parish wide communications
- This policy will be updated by August 15th of each calendar year

Policy Scope

- Physical signage
- Communications surrounding the mass environment
- Electronic media
- Paid advertising and public statements

PHYSICAL SIGNAGE

Lawn Signs

Lawn signs will be produced within a designated budget and have the approval of the individual managing that budget. Lawn signs should be standard size, e.g. 24 inches x 18 inches, unless approved otherwise by a staff member. Unless otherwise approved, there should not be more than 5-8 lawn signs in use. See attached schematic for recommended placements.

Lawn signs should not have “over signage” applied by tape to existing pre-printed board; this will destroy the original sign. Consult with the designated staff contact about temporarily removing the poster board in the existing frame.

Banners

All weather banners will be produced within a designated budget and have the approval of the individual managing that budget. Use and content of banners requires the approval of the pastor or his designee.

The pastor needs to approve the placement of banners. The general location of banners are as follows, unless approved otherwise by the pastor

- Attached to the Parish Center
- Attached to the school
- The corner of Washington St. and Oliver St. outside of the pre-school
- The corner of Washington St. and Chatham St.

Information in Pews

The proposal to distribute information in pews should be proposed and discussed specifically with the pastor. All material placed in pews are to be removed following the last mass.

Mass Announcements

Announcements for Mass must be submitted by Thursday noon for the upcoming Sunday. Announcements should be limited to information that would not otherwise be known if not announced at Mass. Unless determined otherwise by the pastor, announcements will be made by the presiding priest. Announcements should be limited to a few short sentences and should be expected that they will be edited prior to use.

Request for announcements should be sent via email.
